

2024/2025 New Membership – Nippers

Membership fees:

	Pre 31 August 2024	Post 31 August 2024
Active Senior/Award Member/Long Service	\$85	\$95
Active Cadet/15-18 Years	\$75	\$85
Junior/Nipper	\$70	\$80
Associate	\$105	\$115
Family (at least 1 member is a patrolling member) up to 4 people)	\$250 + \$10 for each additional person	\$270 + \$10 for each additional person
Family (Nippers only) up to 4 people	\$300 + \$50 for each additional person	\$320 + \$50 for each additional person

Nipper Pool Swim/Sign Ons:

Sunday 25 August 2024

Venues and times to be supplied in the near future

*Children will be required to float, submerge themselves or swim the required distance for their age group. Please bring along their togs, goggles and a towel.

Alternatively, you can choose to have your proficiency completed by your child's swim school instructor etc. If so, you will need to have a form completed for this. You can locate this form [HERE](#).

First Day on the Beach – Sunday 15th September 2024

How to Join:

Head to [SLSA - Join](#) to arrange your Surf Life Saving membership – a membership/account needs to be set up for each new member (adult or child). At least 1 parent must join and attend the weekly nipper program, but any parent that will be attending most weeks should join. If you haven't ever been a member of a Surf Club before, click on No, if you have click on Yes and then follow the process to join – it will ask you which club to join and whether you are joining an individual or a family. Hit family to make the process easier to join everyone up at once. Any parent member joining is classed as an Associate Member and the children are junior members. If you are joining 2 adults and 2 kids (or more), it is cheaper to take the Family Membership – for the fees you will choose Family Membership for the 1st person and then the \$0 family member for up to the next 3 members and then \$50 extra family member for any members above 4 in a family.

For those that are not paying a family membership as you only have 2 or 3 members, you will instead choose the relevant fee selection.

To clarify, here are the categories:

Associate – nipper parent

Junior Activity Member – all nippers

Active – a nipper parent who patrols

You can pay your membership fee through the Portal when joining or you can make payment by direct deposit into our bank account (BSB 124-063: Acc No. 1229-9225), by using the credit card facility available at the Club or by cash at the pool sign ons, weekly nippers or at the Surf Club office Monday to Friday.

Important Note – if you have a Fairplay voucher for your child that you would like to redeem as part of your family membership, **DO NOT** pay online by credit card and instead pay the correct amount via direct credit in to the North Kirra SLSC bank account or make the payment in person at the club via cash or credit card as the system can't cater for the Fairplay voucher redemption. So make sure you choose Other Payment Options when joining instead of Pay with Credit Card so it won't take you to the payment page before the membership application is submitted. You will also need to send through the voucher to the club via email or bring in person to finalise your membership payment.

All memberships will be checked when received and will only be processed if all adult members have a Working with Children Blue Card and have completed the associated 2 child related courses that are required. A follow up email from the Club will come to either confirm everything is processed or to explain why it was not processed and what needs to be completed.

North Kirra SLSC

BSB 124-063

Acc No. 1229-9225

Ref: Please use your surname

You will be required to provide the Birth Certificates of any children joining to prove their age. The age group they participate in will be determined by their age at 30 September. They will also be required to complete a pool proficiency according to the requirements of that age group. This can be completed at our pool sign on dates. Alternatively, you can have an accredited swim coach sight their proficiency and complete [this form](#).

***** Remember, for all junior members, all adults that will accompany them on the beach throughout the season must join as an Associate member of the Club, have a Blue Card and complete the online CYRM Induction and the Child Safe Awareness Course.***

Blue Cards/CYRM Inductions:

To renew or apply for a Blue Card, it is now completed through an online process – please head to this website [Blue Card Services Applicant Portal](#) :

1. Set up an account with Blue Cards & it will give you an account number – make a note of this number and send it to North Kirra SLSC so we can get the account linked to our organisation (you can't proceed with your application until this has been linked)
2. Once it has been linked by SLSQ you will receive an email confirming the link. You can then complete the application by logging into the application portal (link contained within the document). If you are trying to proceed with your application as a Volunteer (which is what you need to do for this purpose) and it still says they require more information from the volunteer organisation, it means it has still not been linked yet, so you cannot proceed until it is.

Please note you need a Qld TMR Customer Reference Number to get a Qld Working with Children Blue Card, so if you only hold a driver's licence in NSW for example, you will need to attend a Qld Transport location to obtain this number.

RELATED ONLINE COURSES:

In line with Blue Card Renewals, you are required to complete 2 online courses – CYRMs and the Child Safe Awareness Course. These are both located within the elearning platform Training Library in the [SLS Members Portal](#).

1. Click on elearning and log in to elearning
2. Then login with the same login at the next sign in
3. Then click on CYRMS to do that course and/or CSA to complete the Child Safe Awareness Course. (Even if you have a Green tick, if you are renewing your Blue Card you need to complete these courses and can click on them and complete via here)

There is no need to send through confirmation this is done as your profile will be automatically updated with your awards once the course is completed.

If you are not the main family member that created the membership initially, you will need to firstly create a portal account if you haven't already (via the link below – Members Portal Access) before you can complete this required training. Click on Don't have a Members Area account yet (within the yellow box) and proceed to create an account. It will be matching details to what is in the portal, so remember to set up this account initially, the contact details will be that of the person that created the membership initially, but your date of birth and name details. Once the account has been created, you will be able to update the details in your profile to your own details and not that of your partner or whoever set up the initial membership account. Once logged in, you will be able to access these 2 courses via the elearning platform as per the 3 steps above.

Family Participation Requirement

North Kirra SLSC is a volunteer organisation. Our nippers program exists to educate and develop the skills of our junior members and provide them pathways to becoming patrolling members of North Kirra Surf Life Saving Club. As our Junior Activities program has grown, we have adjusted how we operate and run Nippers each week.

Following feedback from our Nipper community and with the support from the Surf Club Committee, North Kirra implements a family participation requirement on our Nipper families each season. Our intention is to spread the volunteer load across all our families and encourage all our families to take an active role in supporting our junior activities program. There are many ways to contribute to Nippers at North Kirra. Some of the common roles include:

Roles that do not require any training	Roles that require some additional training/awards
BBQ and fruit preparation	Age Manager and Assistant Age Managers
BBQ Cooking	Water Safety
BBQ Serving	Carnival Officials
Uniform and merchandise sales	First Aid
Beach set up	Team Managers
Beach pack up	

** We understand that not everyone or family has the same capacity to assist however we are deliberate in our language regarding participation being a requirement so that we can spread the load between all families. We are a friendly bunch at North Kirra and more than happy to provide assistance to everyone with any role they undertake, so please do not be discouraged by this requirement. We encourage you to speak to our Junior Activities team if the roles above are not suitable/possible for you.

Supporters Club Membership:

Your Surf Club membership includes a 1 year membership to our Supporters Club, however you do need to complete the online membership form to receive your membership card. Once you have completed this, your card will be available from the Surf Club office during the week or at Nippers on Sundays.

[Please click here to complete your online membership.](#)

Facebook Page:

Once you have joined our membership, jump onto Facebook and request to join the following group so that you can keep up top date with any events and last minute information:

<https://www.facebook.com/groups/133036843464723/> - North Kirra SLSC Nippers

Your assistance in attending to these before commencement of the 2024/2025 season will be greatly appreciated. Looking forward to welcoming you and your family to our great little family Club!
